Supplemental Safety, Parking, & Operations Notes

Field Usage and Scheduling

Due to known safety and traffic considerations at West Bennett Park, especially related to road crossing between east and west sides of the park, the Gatorade Invitational will operate intentionally to reduced and controlled field usage at Merrill Fields.

- 5-7 full-size fields requested
- No more than four fields will be in use at one time
- Game times will be staggered to minimize vehicle arrivals and departures occurring simultaneously

This approach will significantly reduce congestion compared to previous years when more fields were in use at one time.

Parking & Traffic Control Plan

The primary safety concern in past events involved spectators parking across the road and crossing between east and west sides of Manly W Bennett Park. To eliminate this issue:

- Parking will be permitted on the WEST SIDE ONLY
- Signs will be place at the entrances of the east side that read, "NO PARKING for Gatorade Invitational"
- Total parking usage will be limited to no more than 400 spaces at any given time
- Painted ADA accessible parking spaces, supplemented with signs, will be clearly designed and maintained
- Event communications to teams and spectators will clearly state west side parking only prior to arrival

Monitoring, Enforcement, & Transportation

The tournament will provide onsite staff and volunteers throughout the event to actively manage parking and pedestrian movement.

- Golf cart patrols will monitor parking compliance, pedestrian traffic flow, and any attempted east side parking
- We will provide 4 courtesy golf cart shuttles for additional ADA spectator needs
- Volunteers will be from the Brighton Men's Senior Center

The direct and continuous presence allows issues to be addressed immediately without township police involvement.

Field Preparation

All fields will be painted and prepared by Legacy staff in advance of the event. This continued partnership intends to support an efficient event set up.

Prior Experience & Adjustments

In prior years, when fewer fields were used at Manly W Bennett Park, parking concerns were minimal. As the tournament has grown, we recognize the increased impact and plan to adjust operations to limit peak activity, and provide a well-managed experience for participants, spectators, and the surrounding community. Thank you for considering our application. We appreciate the continued partnership between the Legacy Center and Hamburg Township.
