THINGS YOU SHOULD KNOW...

- 1) All sales are C.O.D. payment of balance in full due at time of installation.
- 2) Height is measured from the ground to the sidewall not the peak. On Standard and A-Frame Horizontal models, the length measurement is for the roof and siding. (The base rail is 12 inches shorter than the roof and siding).
- 3) The customer is responsible for informing the installers of any underground cables, gas lines, or any other utility lines. We will not be responsible for any damages to unmarked or un-located utilities.
- 4) If there is a price discrepancy over \$20.00, the company reserves the right to cancel the order; if customer wishes to place the order on hold, American Steel Carports, Inc. will only honor the price for 30 days.
- 5) All quoted prices include installation on level ground at ground level only. Except Deer Stands.
- 6) If any additions are made after the building is completed, there will be a \$100.00 return fee plus the cost of the addition.
- 7) If customer wants insurance on the building, it is customer's sole responsibility to contact customer's insurance company to secure coverage. American Steel Carports, Inc. highly recommends that customer secure insurance coverage for the building.
- 8) It is the sole responsibility of the customer to check for permits or restrictions regarding installation of the product. Some state and local ordinances may require a foundation prior to installation. American Steel Carports, Inc. does NOT install foundations and all costs associated with foundations shall be the sole responsibility of the purchaser. There will be a \$100 extra charge on any custom orders, non-refundable.
- 9) It is highly recommended that all ground, gravel or blacktop installation be securely fastened with mobile home anchors. In the case of installation on concrete, it is highly recommended that concrete anchors be utilized. Rebar anchors are designed for temporary use only. American Steel Carports, Inc. will not be responsible for any damage to the structure if the customer chooses to use only the rebar anchors provided with the carport and failure to utilize the proper anchoring method will void your warranty. The customer is responsible for patching and repairing blacktop after anchors are installed. **In some cases, it is not possible to install all of the mobile home anchors due to rocky or other ground conditions. In such cases, American Steel Carports, Inc. will reimburse the customer for the mobile home anchors that are not used but the customer will still be responsible for the full price of the building.**
- 10) American Steel Carports, Inc. has a select group of factory-trained installers. The warranty will be void if the unit is installed by anyone other than our approved independent contractors.
- 11) Your lot must be level or the unit will be installed "AS IS" on the lot. Additionally, it is the customer's sole responsibility for ensuring the installation area is adequately prepared/cleared for installation. If, upon arrival, the installers find the lot in an unsuitable condition, a \$100 return trip surcharge will be added to the balance owed.
- 12) If you are a tax-exempt purchaser, a copy of your tax exemption certificate must be attached to this original form.
- 13) The quoted price above does not include any extra tasks or requests by the customer. Any such additional tasks or requests will require a separate quotation and approval by American Steel Carports, Inc.

BALANCES OWING: All unpaid balances must be paid in full at the time of installation. If balances due and owing are unpaid at the time of installation, you will be in default of this agreement and American Steel Carports, Inc. reserves the right to repossess the carport/garage and/or charge interest of 25% per annum or the maximum allowed by applicable state law, whichever is lower, on unpaid balances. If you choose to cancel the installation of the structure, American Steel Carports, Inc. is not responsible for returning your 15% down payment. Upon cancellation, you will be required to get your 10% back from the Dealer you paid it to. If payment is not made within 2 weeks, American Steel Carports, Inc. has the customer's permission to repossess carport. Ownership remains with American Steel Carports, Inc. until paid in full.

If any provisions are determined to apply to third parties, all other provisions including limitations, waivers, and disclaimers shall also apply.

It is Buyer's responsibility to ensure that the building/carport is covered under Buyer's homeowner or other insurance.
 - c. Seller may unilaterally increase prices to cover increased costs (plus reasonable overhead and profit) of design, materials, and manufacturing required by changes requested by Buyer after the date of any quotation.
 - d. All amounts not paid to Seller when due shall incur a carrying charge of 5% per annum or the maximum allowed by applicable state law, whichever is lower.
 - e. All amounts due on installation or other event which requires the action or cooperation of Buyer which Buyer fails to supply timely shall become due upon such failure.
 - f. If payment is made by check and the check is returned NSF, Buyer will be responsible for additional expenses incurred by Seller as a result of the returned check. Seller reserves the right to charge additional fees as allowed by law for checks returned NSF. These fees may include a \$20 service charge.
5. **Delivery.** Shipping and Installation dates are estimated based on Seller's present engineering and manufacturing capacity and scheduling, and may be revised by Seller upon receipt or scheduling of Buyer's order. All shipping dates are approximate and shall be computed from the date of entry of the order on Seller's books. All shipping dates are further subject to Seller's prompt receipt from Buyer of a written purchase order or acceptance, letter of credit, down payment, and other conditions as specified in the Agreement, and of all drawings, information and approvals necessary to provide the Goods and to grant any credit proposed in the Agreement.

If shipment of any item or other performance by Seller is delayed at the request or due to the fault of the Buyer, the seller may at its option hold the item at the place of manufacture at the risk and expense of the Buyer from the time it is ready for shipment. In the event of any such delay in shipment, full and final payment for an item shall be due and payable thirty (30) days after the Buyer is notified that the item is ready for shipment. If the Seller is unwilling to accommodate the Buyer by holding such item, the Buyer shall accept shipment immediately.
 - b. Dates for Seller's performance are estimates only. In addition, the Seller shall not be in default because of its delay or failure to deliver or perform resulting, in whole or in part, from: (i) any foreign or domestic embargoes, seizures, acts of God, insurrections, war, or the adoption or enactment of any law, ordinance, regulation, ruling or order, or, (ii) the lack of usual means of transportation, fires, floods, explosions, strikes or any other accidents, contingencies, or events, at the Seller's or its supplier's plant or elsewhere (whether or not beyond the Seller's control) which directly or indirectly interfere with, or render substantially more burdensome, Seller's production, deliver, or performance.
7. **Inspection, Testing and Rejection.**
