RE: Call to the Public Policy

Number of Supporting Documents: **1**

Our current policy regarding the Call to the Public is insufficient and needs some strengthening. The current policy reads:

2.4 (f) Public Participation
Members of the public shall have an opportunity, under Call to the Public, to address the Board for no more than three (3) minutes on any item. The Board may suspend the time limitation when warranted. When all persons who wish to address the Board have been heard, the Supervisor shall announce that public comment is concluded.

I am proposing a new policy. It has gone through the Executive Committee and our Township counsel, most of whose edits I incorporated in the attached.
