RICHARD DUFFANY, DIRECTOR OF PUBLIC SAFETY

TO: Hamburg Township Board

FROM: Chief Richard Duffany

DATE: September 30, 2026

AGENDA ITEM TOPIC: Purchase of Security Gate

Number of Supporting Documents: 2

Requested Action

- Motion to approve the purchase of a security gate, as outlined in the attached quote, from Ferrera Fence of Manchester, MI for a total price of $24,650.00.

Background

The current security gate used for controlling the ingress and egress to the rear parking lot of the police station is the original gate installed when the station was built over 25 years ago. The gate has a long history of malfunctioning. In fact, the department has had the gate serviced over 15 times since 2014 and has spent $18,629.44 on these repairs (according to department invoices). Most recently, the gate failed to open during an emergency call requiring the officers to delay their response while they manually opened the gate.

Ferrera Fence of Manchester, MI can provide the type of new security gate that meets the need of the department for a total cost $24,650.00. Per the company (see attached email) the gate comes with the following warranties:

- The gate operators come with a 5 year commercial warranty.
- The metal tubing and chain link comes material comes with a 25-year manufacture limited warranty.
- The installation comes with a 3 year labor warranty.

Fiscal Considerations

Does the agenda item require the expenditure of funds? Yes ☒ No ☐

If YES, are funds budgeted? Yes ☐ No ☒

Fiscal year affected: 2026/2027

Is a budget amendment required? Yes ☐ No ☒

General Ledger numbers affected: 207-000.000-980.000

Subject: Re: Quote #313

Goodmorning, no problem the items and install do come with warranty. I apologize as I forgot to include them

The gate operators comes with a 5 year commercial warranty

The metal tubing and Chainlink comes material comes with an 25 year manufacture limited warranty

The installation comes with a 3 year labor labor warranty on workmanship faults

The upkeep I would recommend is spraying the driven chain system with a lubricant to prevent rust and ensure smooth operation.

We do as well maintain and repair our operator jobs when it's needed

Good Morning,

I appreciate you guys getting the quote to me so quickly and I just have a couple follow up questions.

- Are there warranties that come with the project and if so what are they?
- Will the unit need and general maintenance/upkeep?
- If the unit does need maintenance/future work, would you guys be willing/available to do so?

Thanks,

Matt Duhaime
