

Township Board Cover Sheet

Lake Shan-Gri-La – Aquatic Weed Control S.A.D.

Information Packet:

Hamburg Township has been petitioned by the property owners on Lake Shan-Gri-La requesting to re-establish the current aquatic weed control special assessment district that will expire on September 1st, 2025. Services shall include treatment to remove aquatic weeds and algae on Lake Shan-Gri-La utilizing chemical and/or mechanical means as approved by EGLE. Based upon property owner response, there are enough petitions to proceed with re-establishing the S.A.D. The maintenance district is a “**self-funded**” S.A.D. that will pay for the services annually on the winter tax bills.

The following items have been included for the Board’s review:

1. **Property Owner Petitions:**

- A. Petition results Memorandum dated May 14th, 2025
- B. Supervisor’s petition certification
- C. Copies of the individual petition forms submitted by property owners
- D. Spreadsheet showing support by road frontage (per Public Act 188)

2. **Resolution to Acknowledge Petitions and Re-Establish S.A.D.:**

- A. Resolution No. 1 – Resolution to Re-Establish S.A.D.

The Board must adopt the Resolution to tentatively declare its intent to re-establish the Lake Shan-Gri-La aquatic weed control special assessment district for the purpose of providing lake maintenance services.

The Resolution will also set the date and time for the first public hearing to be held to establish the district. The Board typically schedules the public hearings to be held prior to a regularly scheduled Board meeting. Therefore, I am recommending that the 1st public hearing be scheduled for **Tuesday, June 17th, 2025 beginning at 6:30 p.m.** to allow enough time for notice to be published in the newspaper as well as mailing of individual notices to property owners.
