

TO: Township Board of Trustees

FROM: Deby Henneman, Township Coordinator

DATE: July 27, 2022

AGENDA ITEM TOPIC: Parks & Rec - RC Raceway - Addition Proposed to RC Airfield

Number of Supporting Documents: **2**

Requested Action

Approval of the addition of an area near the Merrill Airfield for RC Cars and Trucks with viewing area/podium to be built and managed by the Hamburg RC Flyer's Club and subject to a Memorandum of Understanding to be agreed upon by both the Flyer's and the Hamburg Township Board of Trustees, prior to the start of construction, outlining the use/management for both RC facilities.

Background

The proposed facility will be built and funded by the Hamburg Flyers and will be open to the community to use. A Memorandum of Understanding between the Hamburg Flyers and Hamburg Township will be drafted and approved by both parties, and it is recommended that it is reviewed by the Township Attorney as well prior to the start of construction. While the Hamburg Flyers will assist in managing and maintaining the facility, the ultimate responsibility for Liability and field safety will lie with the Township.

All improvements will be the property of Hamburg Township. A draft of the Memorandum of Understanding has been attached.
