EXPLORE THE HURON RIVER WATER TRAIL

From Manly W. Bennett Park, kayak Horseshoe (Hall) Creek into the Huron River, which is part of the 125-mile water trail that winds through forests, wetlands, and towns on its way to Lake Erie. Enjoy a peaceful trip and connect with Michigan's natural beauty. Visit our website to learn more about our area amenities and respite.

PROTECT OUR WATERS & WILDLIFE

The Huron River supports fish, turtles, birds, and more—and provides clean water and recreation for communities. The Huron River was designated as the 18th trail of the National Water Trail System in 2015.

DO YOUR PART

- Respect wildlife – Watch from a distance
- Help prevent erosion - Stay on designated path and launches
- Leave no trace – Keep our parks and waters clean

WATER LEVELS/WOODY DEBRIS MAY AFFECT ACCESS.
