AGENDA ITEM TOPIC: **Grinder Pump Station Purchase Request**
Re-Supply of Depleted Inventory
Number of Supporting Documents: **2**

Requested Action

- Approval by the Board to purchase a full truckload of Simplex Grinder Pump stations as recommended by the Municipal Utilities Committee at a total cost of \$330,400.00 with no additional charges for freight.

Background

- The Township currently has ten (10) Simplex and two (2) Duplex grinder pump stations available in inventory. At this time, eighteen (18) Simplex grinder pump stations have already been sold to homes under various stages of construction as well as several grinder pump replacements that still need to be completed. Dubois-Cooper is holding pricing from our last truckload order in 2024. Purchasing a full truckload of grinder pump stations avoids shipping charges from the manufacturer located in New York.

Re: **Grinder Pump Inventory – Purchase Request**

The Township currently has ten (10) Simplex and two (2) Duplex grinder pump stations available in inventory. At this time, eighteen (18) Simplex grinder pump stations have already been sold to homes under various stages of construction. Although it is not anticipated that all of the grinder pumps will be needed at once, this may lead to a deficit in inventory when completing the remaining nineteen (19) grinder pump replacements and/or any emergency sewer hook-ups for existing homes that may occur.

Attached is a quote from DuBois-Cooper for a full truckload of grinder pump stations which avoids shipping charges. DuBois-Cooper is holding pricing from our last truckload order in 2024. A full truckload would include fifty-nine (59) Simplex grinder pump stations, shipped with a 50' power cable and with the cores installed in the station. The quote also includes the upgraded Sentry Panels with the protect package that was included with the prior grinder pump order. The breakdown of costs is as follows:

59 Simplex Grinder Pumps pricing:	\$ 330,400.00
- 50-foot power cable	
- Sentry Panel w/ Protect Package (Brownouts, etc.)	
- Two (2) year standard warranty	

NOTE: The current lead time for the order is 3 weeks.

Recommendation:

The DPW/Utilities staff highly recommend purchasing a full truckload of Simplex Grinder Pump stations with the Sentry Panels and 2-year standard warranty. The total cost would be **\$330,400.00** with no additional charges for freight.
