Jason—hope you're doing well!

I wanted to share the 2026 engagement letter with you. You'll notice the fee reflects a 0.80% net decrease. This is driven by a 4.2% CPI adjustment, offset by the new 5% technology fee outlined in the letter (resulting in a net impact consistent with the 4.2% CPI as of May 2026).

Please let me know if you have any questions (I realize the tech fee is new, and we wanted to be in line with the proposal last year, therefore had to net the two so in the end would end up with the CPI amount).

If you'd prefer we can send the letter via DocuSign.

As always, I look forward to working with you and your team!

Thank you,

Martin
