It is the intent of Hamburg Township Fire to submit an application for the Department of Homeland Security/FEMA *Staffing for Adequate Fire and Emergency Response* (SAFER) grant. This grant provides 100% funding for a 3-year period for the hiring of additional firefighters. There is no match requirement for the Township during the 3-year grant period. However, because of the possible long-term financial costs to the Township I am requesting that this matter be discussed in the work-study forum prior to the department submitting for the grant.
