AGENDA ITEM TOPIC: Parks and Recreation Bylaws Update & Member Appointment

Requested Action

- Motion to approve the amended Parks & Recreation bylaws as presented in today's packet.
- Motion to approve a 2 year appointment for Barb McCabe to the Hamburg Township Parks & Recreation Committee effective today.

Background

The requested change effects section 3.1, 3rd bullet point. Change allows for the appointment of a member at-large which may include a student from Pinckney Community Schools. This change gives us some flexibility if the school does not recommend anyone as has been the case for the past year.

Barb McCabe is a retired long time employee of the Hamburg Township accounting department. Barb would be an excellent addition to the committee, she is very familiar with our parks as she is an active user of Manley Bennet Park and the Lakelands Trail.
