Requested Board Action

- Motion to approve the sale of a 2010 Chevrolet HHR (VIN: 3GNBAADB7AS524397) via the MIBID auction system.
- Motion to approve the sale of 2003 Bayliner boat (VIN: BBBC73CUG203) via the MIBID auction system.

Background Information

The department is in possession of a 2010 Chevrolet HHR (VIN: 3GNBAADB7AS524397) which was obtained through the Department of Defense 1033 program in January of 2018. The vehicle is in need of extensive maintenance to keep it functional. A determination has been made that the cost of maintaining the vehicle is not financially sensible.

The department is also in possession of 2003 Bayliner boat (VIN: BBBC73CUG203) which was obtained through the Department of Defense 1033 program in February of 2020. The boat had been dedicated for use by Fire personnel for water rescue response. However, the department recently received a grant for the purchase of a new water rescue boat resulting in the Bayliner boat no longer being needed.

Respectfully,

Chief Richard Duffany
Director of Public Safety
