## **Requested Board Action**

- Motion to approve the sale of a Minuteman 200x floor cleaner and a Cook model 300CPV exhaust fan via the MIBID auction system.

## **Background Information**

The department is in possession of a Minuteman 200x floor cleaner which is no longer needed as it is not effective on the rough surface of the new epoxy-finished bay floors. The department is also in possession Cook model 300CPV exhaust fan which had been used to help ventilate vehicle exhaust emissions from the bay areas. The exhaust fan is no longer needed now that the Plymovent systems have been installed.

Respectfully,
