Requested Action

- Motion to approve the hiring of Jared Kaminski as a part-time firefighter/EMT effective March 8, 2023.
- Motion to approve Anna Von Troba as a part-time firefighter/EMT upon successful completion of her psychological evaluation.

Background

The department is continuing to proceed with the hiring process for various individuals as part of our recently completed hiring campaign. Jared Kaminski of Stockbridge has completed all pre-employment requirements (background check, medical evaluation, psychological evaluation and drug screening). Mr. Kaminski, who is currently employed as a firefighter with the Stockbridge Area Fire Authority), has completed Firefighter I & II and EMT-B and is eligible to be hired in as a fully-trained part-time firefighter with our department.

Anna Von Troba of Hartland has also completed Firefighter I & II and EMT-B and currently works for a private ambulance company. She has successfully completed her background check, medical evaluation and drug screening. She had to re-schedule her psychological evaluation to March 9, 2023. I am requesting that the Board authorize her hiring as a fully-trained part-time firefighter with our department upon successful completion of her psychological evaluation.

Respectfully,
