**Requested Action**

Approve the February 9, 2023 list of gravel road projects proposed by the Livingston County Road Commission.

**Background**

The eight gravel road improvement projects listed on the attached proposal from the Livingston County Road Commission, at a cost of \$631,000, will complete the improvement of the major gravel roads in Hamburg Township. There is approximately \$1,300,000 in the Road Fund, funded by the Road Millage, to pay for these improvements.
