NATIONAL VOLUNTEER MONTH – APRIL 2026

We are profoundly grateful for the countless hours our volunteers contribute and for the spirit of generosity they bring with them. Their service reminds us that preserving history is a community effort—one built on collaboration, care, and shared purpose.

To each and every volunteer: thank you for your dedication, your curiosity, and your belief in the value of our past, present and future. Our museum would not be what it is today without you, and our future is brighter because of your continued support.

DIVE INTO YOUR HISTORY

APRIL FOOL'S DAY

On March 24 and 25 about 150 third graders, teachers and chaperones from Navigator School came to the museum in groups, each lasting an hour and a half. During that time, they visited a 19th century schoolroom, made butter, made an old-fashioned decorative craft and toured the gallery.

BBC news once convinced thousands of viewers spaghetti grew on trees. A 1957 April Fools' prank showed farmers harvesting pasta. When viewers asked how to grow their own, the BBC told them to plant a sprig in tomato sauce.

Making home churned butter and having a taste!

Rewind

March 28 brought the annual Egg Hunt, and a lively group of kids and grown ups enjoyed a sunny hunt with prizes, candy and a golden egg and then made a fluffy bunny or funky flower craft.

Giving bunnies some fluff!

The museum is open every Saturday from 10:00 am – 2:00 pm. You may stroll the galleries at your leisure to learn the history of Hamburg Township. Admission is free.
