
VILLAGE BOARD MEETING

From: Chad Pelishek, Village Manager

VILLAGE OF HARRISON

Meeting Date: 6/30/2026

Title: Village Manager Report

Issue: None

Background and Additional Information:

1. The Village will be transitioning in August/September to a different agenda and meetings platform with CivicPlus as our current platform is being transitioned out by CivicPlus.
2. The two required items for the Village to be in compliance with the new DOJ website accessibility required us to install the Audio Eye, the accessibility icon on each page of the website. The second part was to make all current, past and future PDF accessible. This was completed by the launch of the DocAccess, which is a screen that opens with second screen with accessibility tools available to the user.
3. In August our website will be changing platforms as well, which will require the front page template to be adjusted slightly. Similar to the agenda/meetings platform change, the website platform is necessary.
4. The renovation of Village Hall is out to bid. Bids are due August 4. If costs are acceptable, it will be before the Village Board for approve in August.
5. Zoning Code: we will be scheduling a joint meeting with the Plan Commission and Board to review the draft zoning map in August.
6. Staff is working with the Village Attorney on updates to the Village sign ordinance.
7. Village staff is working on two recreation opportunities for Village residents. A bus trip to the Fireside Theatre in November and a Trolley Ride to see Christmas lights in December.

Budget Impacts: None

Recommended Action: None
