
VILLAGE BOARD MEETING

From: Chad Pelishek, Village Manager

VILLAGE OF HARRISON

Meeting Date: 7/20/2026

Title: Municipal Code Update: Chapter 10- Fire Protection and Prevention

Recommended Action: Motion to approve \$5,628 to purchase two Tapco Radar Feedback Signs and the corresponding budget adjustment

Background and Additional Information:

Village staff has contacted Tapco to obtain a cost to purchase two Tapco Radar Feedback signs and one year subscription to access the data. The price of the these signs have dropped substantially because Tapco purchased this company.

The two signs will be installed on North Shore Road and Firelane 10 due to the number of concerns we regularly hear related to speeding.

The funds would come from the 2026 contingency line item which has an approximately remaining budget of \$55,000.

Budget Impacts: \$5,628.00- Contingency- Highway Supplies
