Lift Station #4 – Menasha	3	0	1
Lift Station #6 (Harrison)	2	0	0
Total	9	0	1

- b. Sanitary Sewer & Watermain Permit: 2 -Mueller Farm Development & Bluejay Way

- **Harrison Utilities Field Operations:**

- a. System water valve exercising has been completed as part of the annual preventative maintenance schedule. Several items have been flagged for repair.
 - b. Water samples were collected from 20 homes in the service area and analyzed for lead and copper to meet the DNR's annual requirement. All samples were compliant with current regulation. DNR has given notification that acceptable concentration limits for lead will be lowered in 2027. All current HU samples would meet the new limits.
 - c. GIS field mapping of utility assets is 98% complete. Operators and the GIS intern will be entering known asset conditions into the map soon.
