**Title:** 2026 Chip Seal Program: McMahan Contract for Services

---

**Recommended Action:** Motion to approve the contract with McMahan to assist staff with design, bidding and construction administration services for the 2026 Chip Seal Program for \$9,500.

---

**Background and Additional Information:**

The 2026 Budget under Road Maintenance in the Public Works budget includes \$240,000 to chip seal a number of roadways on the south side of the Village including: Lakeshore Road, Ertl Road, Horn and Kueppler Road (west side of village). Due to the low travel on these roads the chip seal makes the most sense and is less costly in resurfacing.
