Background and Additional Information:**The Plan Commission approved this item.**

The proposed final plat is a single-family residential subdivision located along Woodland Rd, north of Harrison Heights Subdivision, within parcel 33528. The proposed subdivision is directly south of Farmers Field Park. The total site area is 36.91 acres.

Access to the subdivision is provided via Red Robin Road with egress off the north side of Woodland Rd. All roadways are proposed to be dedicated to the public with a 66-foot right-of-way.

The subdivision includes 63 lots and 2 outlets. The average lot size is 15,643 square feet. Outlet 1 is designated for a stormwater pond, eventually being deeded to the Village of Harrison. Outlet 2 mainly consists of wetlands. The subdivision will include sidewalks.

A 30-foot recreational trail, sanitary sewer & watermain easement is proposed between lots 17 and 18 to provide utility service to the park pavilion located on the south side of Farmers Field. A paved trail within this easement will provide pedestrian access to Farmers Field.

A 20-foot sanitary sewer & watermain easement is proposed between lots 54 and 55 to provide utility service to the existing residence at W5844 Woodland Rd, which is not part of the preliminary plat.

Temporary cul-de-sacs with a 66-foot radius are proposed at the east ends of Big Tree Lane and Kickacan Drive. These are intended to be removed upon future road extensions.

The property is currently zoned Single-Family Residential (Suburban) [RS-1]. The Village Board approved the preliminary plat for Madar Homestead Acres on April 28, 2026.
