
VILLAGE BOARD MEETING**From:**

Chad Pelishek, Village Manager

VILLAGE OF HARRISON**Meeting Date:**

12/16/2025

Title: Plan Commission Appointment

Recommended Action:

Motion to approve Anthony Schumacher as a commissioner on the Plan Commission to fill the term of the Scott Chicoine.

Background and Additional Information:

The Village received four applications for the position.

The recommended applicant is Anthony (Tony) Schumacher who resides on Sonny Drive and is building a new home on Edgewood Drive. Mr. Schumacher has an engineering degree and construction experience. Mr. Schumacher is ready to work with the Plan Commission related to the rural charm and balancing the urban environment as well.

Jacob Lautenschlager is a student studying urban planning at UW-Milwaukee. It was determined that Mr. Lautenschlager would not be able to attend the meetings in person and recommended a virtual meeting attendance. Staff does not believe that will work; however, staff will be working with Jacob on other options to get engaged with planning in Harrison.

The other two applicants had experience on a town board and experience serving previously on the plan commission. Staff thanks the four applicants for submitting applications.

Budget Impact:

None
