
VILLAGE BOARD MEETING

From: Chad Pelishek, Village Manager

VILLAGE OF HARRISON

Meeting Date: 8/26/2026

Title: Fire Station 70: Purchase Exercise Room Equipment

Recommended Action: Motion to approve the quote from Summit Commercial Fitness for fitness equipment at Fire Station 70 for \$39,445.00.

Background and Additional Information:

The Fire Chief and the Fitness Equipment Committee at Harrison Fire-Rescue worked together on determining the equipment needed for the new station.

This fitness center will also be available to Village employees for usage as well.

Some examples of the equipment include:

Summit Commercial Fitness was recommended by the local school districts. Summit is a state negotiated contractor that is available for municipalities and school districts and therefore do not need to bid for services.

Budget Impacts: \$39,445 from savings of the Fire Station 70 construction allowances
