VILLAGE OF HARRISON

Meeting Date: 8/25/2026

Title: 2027 Capital Improvements Projects: Midway and N. Coop Wetland Delineation Services-McMahon

Recommended Action: Motion to approve the contract with McMahon for wetland delineation services for urbanizing Midway and N. Coop Roads in 2027 for \$12,400.

Background and Additional Information:

This contract is for McMahon to complete wetland delineation services in advance of design and construction to urbanize N. Coop and Midway Roads. The best time to complete the wetland delineation is in the fall. The semi-urbanization of these two roadways will occur under the 2027 Capital Improvements Plan.

Staff recommends completing this work in the fall so the results can be incorporated into the 2026/2027 winter design process.

Budget Impacts: \$12,400- TID 3
