**Title:** 2026 Seal Coating Roadway Projects: Award of Bid

---

**Recommended Action:**

Motion to award the 2026 Seal Coating Roadway Projects Bid to Fahrner Asphalt Sealers, LLC in the amount of \$155,670.00.

---

**Background and Additional Information:**

The 2026 Public Works Budget included \$240,000 for double chip sealing road maintenance of Ertl, Lakeshore, Horn and Kueppler Roads. \$9,500 was used for McMahon to prepare a bid package for the work. The remaining budget was \$230,500.

One bid was received for the work from Fahrner. Given the total price at \$155,670, staff recommend the Board award the bid to Fahrner to allow repairs to happen on these roads before the next snow plowing season. The remainder of the funds in the general fund will be used to make necessary repairs on Harrison Road hill which has failed over the winter months.
