Background and Additional Information:

- For the Spring Election: We had 2,288 voters at the polls, 940 absentee voters (537 mailed and 403 in-person absentee voting), and 103 election day registrations for the Spring Election, this equates to a 34% voter turnout. All of our poll workers did an amazing job, and we are looking ahead to the fall elections.
- Accurate was in the field doing work, affected residents received notices in the mail.
- Board of Review: I am still looking for two board members to volunteer to be a part of Board of Review, and who would be willing to do the training for the year.
