W5298 State Road 114
Menasha, WI 54952

Dear Alissa R Van Eperen,

Congratulations! This letter confirms funding for your local project on **Old Highway Rd** from the 2026-27 **Municipal Street Improvement Supplemental Program (MSIS)**, which is a component of the Local Roads Improvement Program (LRIP), a reimbursement program of the Wisconsin Department of Transportation (WisDOT). This program assists local units of government in improving deteriorating county highways, town roads, and municipal streets under the authority of the local unit of government by paying up to **90%** of the total eligible project costs, with the balance of costs funded by the political subdivision where the work is performed.

Your project was one of **30 MSIS** projects selected for funding in the 2026-27 biennium. The total eligible cost of the project is currently estimated to be **\$1,525,624.00** based on the application materials submitted. WisDOT will reimburse the Village of Harrison **for up to a limit of \$762,812.00**.

You will soon receive a signed State/Municipal Project Agreement (SMA) from WisDOT. It is important that you **not incur any project costs** until receipt of your signed State Municipal Project Agreement (SMA) from WisDOT. Additionally, please be aware of the new program requirement beginning this cycle which is to provide advertising information to the department at least 7 days prior to advertising. More information on how to provide this information is located in the [LRIP Guidelines and Requirements](#) and on the [LRIP webpage](#).

I greatly appreciate your commitment to provide a quality transportation system that promotes public safety and economic development. Our state and local partnership is imperative to the future of Wisconsin's transportation infrastructure. Congratulations on your project award, which is a key part of this effort.

Sincerely,

A handwritten signature in black ink, appearing to read "Kristina Boardman".
