
VILLAGE BOARD MEETING

From: Chad Pelishek

VILLAGE OF HARRISON

Meeting Date: 3/7/2025

Title: Award of bids for the Emergency Generator at Village Hall

Issue: Does the Village Board approve awarding bids to VOE Power and Systems, LLC in the amount of \$213,770?

Background and Additional Information:

Currently the backup electric system at Village Hall consists of the portable generator that needs to be moved by staff and hooked up when the power goes out. The current project would install a new generator in the greenspace to the south of the south parking lot and install an automatic transfer switch that when the power goes out, it will automatically convert over to the generator power.

Budget Impacts: This project was included in the Village's Capital Improvement Plan. Funding will come from interest earnings on borrowed funds that needs to be allocated in during this year and savings from other CIP projects.

Recommended Action: Motion to award the contract to VOE Power and Systems, LLC in the amount of the \$213,770.
