Title:

Soil Borings Proposal: Old Highway Road Trail Project

Recommended Action:

Motion to award the soil boring contract to Professional Service Industries, Inc. (PSI) for soil borings for the trail project along Old Highway Road for \$6,150.

Background and Additional Information:

PSI completed the soil borings along Old Highway Road for the reconstruction of the road project. Given PSI familiarity with the project, it makes the most sense to hire them to complete the trail project borings.

Budget:

Funded with Grant Funds
