**VILLAGE BOARD MEETING**

---

**VILLAGE OF HARRISON**

**From:**

Meghan Winkler, Clerk/HR Manager

**Meeting Date:**

February 24, 2026

---

**Title:**

Business License Application

---

**Recommended Action:**

Motion to approve the Business License Application as presented.

---

**Background and Additional Information:**

We revised this form to align with the format and standards used across other Village forms. As part of this update, the application will require a fire inspection prior to the business' opening day, with approval documented by the signature of personnel at Harrison Fire Rescue to confirm that the inspection has been completed and any applicable requirements have been met. In addition, per Village Ordinance, we will be issuing a physical business license upon approval, and businesses will be required to display the license at their place of business.
