
VILLAGE BOARD MEETING

From: Chad Pelishek, Village Manager

VILLAGE OF HARRISON

Meeting Date: 5/27/2025

Title: Follow-up discussion on Comprehensive Plan Update after joint meeting on May 20, 2025.

Recommended Action: Discussion only

Background and Additional Information: The Plan Commission and Village Board met jointly on May 20, 2025. A presentation ([PowerPoint Presentation](#)) was reviewed by SRF Consulting on the changes made to the draft Future Land Use Plan based on the 106 comments that received as part of the open house and public comment period. The comments, and draft plan are available on the Village's website.

The goal is for the Plan Commission and Village Board to provide final comments within two weeks or by June 15. Staff will then finalize the text and future land use plans and look for preliminary approval for the June meetings.

Village ordinance requires a 30-day Public Comment Review period with a notice published in newspaper prior to adoption. Final adoption would be at the July Village Board meeting.

Budget Impacts: None
