Section 2. Addition. A new zoning section 151.217 is added to the Hartford City Code to read as follows:

Sec. 151.217. Marijuana businesses.

- (A) *Definitions*. All terms defined in Title XI of the City Code have the same meaning when used in this section or sections 151.091, 151.106, 151.122, and 151.136.
- (B) *Regulations and Conditions*. Marijuana businesses are permitted in the City's commercial and industrial zoning districts as indicated in Sections 151.091, 151.106, 151.122, and 151.136, subject to site-plan review by the Planning Commission and compliance with the following regulations and conditions:
 - (1) Marijuana businesses must comply with the MMMFLA, the MRTMA, and any applicable rules promulgated under either statute.
 - (2) Marijuana businesses shall not be located within 1,000 feet of a pre-existing public or private school providing education in kindergarten or any of grades 1 through 12 or within 500 feet of a house of worship. These spacing limitations shall be computed by measuring a straight line from the nearest property line on the lot used a school or house of worship to the nearest property line of the lot used as a marijuana business. This subsection modifies requirement modifies and supersedes the default spacing limitations provided in Section 9 of the MRTMA.
 - (3) Co-located marijuana businesses and stacked grower licenses may be permitted, subject to the regulations in this section and any applicable rules promulgated by LARA.
 - (4) No marijuana business may operate without first obtaining final authorization for each state operating license from the city clerk pursuant to Title XI of the City Code. Marijuana businesses in existence in the City as of the date of this ordinance shall be deemed to have received final authorization.

- (5) Marijuana businesses (including both the building and surrounding site) shall be sufficiently designed in a manner to minimize light spillage, odor, and noise (including noise associated with truck traffic or other machinery), affecting adjacent properties.
- (6) Applicants must provide a plan for the storage and disposal of marijuana or chemicals associated with marijuana cultivation, so as to minimize the risk of theft or harm resulting from chemical exposure. At no time should byproducts be deposited into the ground.
- (7) No marijuana may be stored overnight outside of an enclosed building. By way of example and without limitation, it is unlawful to store marijuana overnight in an outdoor waste bin.
- (8) The outdoor storage of trash or rubbish shall be appropriately screened.
- (9) Signage for marijuana businesses is subject to approval pursuant to the generally applicable procedures and standards provided in this ordinance, with the additional restriction that signs shall not contain images or text designed to appeal to persons under legal age to consume marijuana. By way of example but not of limitation, signs shall not include cartoon characters, images of youthful persons, or slang terminology for marijuana that may be designed to appeal to minors (e.g., “weed” or “kush”).
- (10) The cultivation and processing of marijuana must be conducted in a manner that minimizes adverse impacts on the public sanitary sewer and natural environment.
- (11) Marijuana businesses must control and eliminate odor as follows:
 - (a) The building must be equipped with an activated air scrubbing and carbon filtration system for odor control to ensure that air leaving the building through an exhaust vent first passes through an activated carbon filter and air scrubbing system.
 - (b) The filtration system must consist of one or more fans, activated carbon filters and be capable of scrubbing the air prior to leaving any building. At a minimum, the fan(s) must be sized for cubic feet per minute (CFM) equivalent to the volume of the building (length multiplied by width multiplied by height) divided by three. The filter(s) shall be rated for the applicable CFM.
 - (c) The air scrubbing and filtration system must be maintained in working order and must be in use at all times. The filters must be changed per manufacturers’ recommendation to ensure optimal performance.
 - (d) Negative air pressure must be maintained inside the building.
 - (e) Doors and windows must remain closed, except for the minimum time length needed to allow people to ingress or egress the building.
 - (f) An alternative odor control system is permitted if the special use applicant submits a report by a mechanical engineer licensed in the state of Michigan sufficiently demonstrating that the alternative system will eliminate odor as well or better than the air scrubbing and carbon filtration system otherwise required.
- (12) For growers and excess marijuana growers:
 - (a) Cultivation must occur within an enclosed building with exterior facades (not including windows) consisting of opaque materials typical of an industrial or commercial building. Windows shall be arranged in such a way that marijuana plants are not visible from the exterior of the building.
 - (b) The roof of the building may be constructed of a rigid transparent or translucent material designed to let in light, such as glass or rigid polycarbonate or fiberglass panels. Films or

other non-rigid materials cannot be used to construct any component of the building’s exterior structure.

- (13) For provisioning centers, retailers, microbusinesses, and designated consumption establishments:
 - (a) Provisioning centers, retailers, microbusinesses, and designated consumption establishments may not be open to customers between the hours of 9:00 p.m. and 9:00 a.m.
 - (b) Provisioning centers, retailers, microbusinesses, and designated consumption establishments may not receive deliveries between the hours of 8:00 p.m. and 7:00 a.m.
 - (c) The exterior appearance of a provisioning center, retailer, microbusiness or designated consumption establishment must be compatible with surrounding businesses with respect to façade type, ground floor opacity, size and placement of signage, site layout, etc.
 - (d) The interior of the building must be arranged in a way such that neither marijuana, marijuana-infused products, nor paraphernalia are visible from the exterior of the building.
 - (e) Marijuana retailers and provisioning centers may offer curbside service or remote delivery service to the extent permitted under state law. Any marijuana retailer offering curbside service must indicate on its proposed site plan where curbside customers will park and must adequately mark such parking spaces as being reserved for curbside customers. Drive-through window service is prohibited.
 - (f) Temporary marijuana events must meet the requirements of state law and have a special use event license issued by the Clerk.

Section 3. Effective Date. This ordinance shall become effective 20 days after its adoption or upon its publication, whichever occurs later.
