To whom it may concern;

Regarding the Reynolds street right of way (see A) that fronts 302 Spaulding (see B). We as the property owners of 302 Spaulding want to inquire about gaining access to the Reynolds street right of way to enter and exit our property at anytime in the future and that no structure be set or permanently built that would otherwise block or hinder our access of using the right of way if granted.

We'd like to thank you for taking this matter into consideration. Please feel free to contact us at the information provided below.
