RE: Approval of the purchase of a new vehicle for DPW

ITEM BEFORE THE COMMISSION:

The item before the Commission is to authorize the city manager to order and purchase a 2024 Ford F250 Regular Cab 4x2 XL.

DISCUSSION:

The Department of Public Works has multiple vehicles that need replacing due to their age and condition. The Public Works Superintendent received a quote from Lunghamer Ford of Owosso. Danny went through the state purchasing program. The 2024 Ford F250 has a 36,000-mile or 36-month factory bumper-to-bumper warranty and a 60,000-mile or 60-month powertrain warranty. Our local Ford dealer will handle services. The Superintendent is currently driving a 2013 Ford F-250 that was purchased in the spring of 2013. The pickup box will be ordered and purchased separately from the truck purchase.

RECOMMENDATION:

The Hartford City Commission approves the city manager to order and purchase a 2024 Ford F250 Regular Cab 4x2 XL for \$45,373, which was budgeted.
