Hartford Township
Ron Sefcik, Township Supervisor
61310 CR 687
Hartford, Michigan

City of Hartford Board of Commissioners.

With the loss of Pride Care Ambulance service for the City and Township, VBEMS has become the ambulance service for both communities.

At the present time VBEMS is operating out of the Hartford Fire Station.

Hartford Township is having an ambulance barn built for housing VBEMS and is requesting that the City of Hartford waive the tap fees for the water and sewer.

Sincerely,

Ron Sefcik, Hartford Township Supervisor
