Hi Kristen,

Hope you are having a great week so far and thank you for taking the time to reach out regarding the banner project.

The banner pricing does depend on the material used. An 18x35" Vinyl banner retails for \$70, while Polycanvas and Marine Acrylic retail for \$108 and \$86 respectively.

Given the quantity of 35, we would have a discounted price of \$58 per banner plus S&H.

Happy to pull a complete proposal together for us – would it be fair to utilize the vinyl material?

Best Wishes,  
*Kolin*

Good morning,

I am reaching out to get a quote on banners. We are currently checking into the general price per banner for 18x35" (or closest stock size) for approximately 4-5 prints, just generic seasonal and patriotic banners, for 35 light poles along our main street in downtown Hartford. Please let me know if you need any additional information.

Thank you,

Kristen Matthias
