We attended the Back to School Bash on Wednesday, August 21 from 5pm to7pm. We had back Packs and school supplies to give away and promoted our new programs.

Instead of Storytime, we are calling the program "Jolly Jumpers". The program is for birth through 5-year-olds. The first program was Thursday, September 5 at 10:30am. We had 8 little children attending. We sang songs and played with our musical instruments. This will be a oncea-month program.

The second Thursday of the month, the Great Start Family Coalition will be meeting families here at 10:30am on a monthly basis. The third Thursday of the month is our Family Links Play group for birth to fives.

The first three Thursdays of the month are targeting the little one's birth to fives to help them get ready for school and socialize with other children.

Our first Crochet & Knitting group is Thursday, September 12 from 2pm to 3pm. We are encouraging those that crochet or knit to bring their projects to work on and help teach others the craft.

We are also starting a Photography club for teens and middle schoolers on Tuesday, September 17th from 5pm to 6pm. We are hoping to create interest in photography in Hartford. We have a volunteer who is working with us on this program.

Our Back-to-School Ice Cream Sundae Day is Thursday, September 26 from 1pm to 4pm. We will make ice cream sundaes and have crafts available for all children.

We have a speech therapist who will be using our facility to help a local child every other Friday from 1:30p to 3:15pm in our study room. The therapist is Erin Baldwin from VBISD.

Respectfully Submitted, Stephanie Daniels

VI. Old Business

A. Electronic door opener

Announcement of our grant for the electronic door openers with has been sent to the newspapers. We will post PR releases on facebook. It has also been in our new newsletter. My final repost will be filed before September 30, 2024.

VII. New Business

A. Plumbing and HVAC problems

We have had to make a repair on one of the air-conditioners this past week. Also, there is a leak in the back flow preventer. I have an estimate from Field Plumbing. I called RJO the initial installing company with regard to this problem. They have ordered the rebuild kit and will be out to repair the system.

We also had an overflow on a furnace drain pan., which caused a leak in the ceiling. The pipe was cleaned out and the water drained. The overflow indicator was supposed to shut the furnace off, but it overflowed.

B. Genealogy Report

See enclosed

C. New Employees

We have been conducting interviews to replace Jennifer Sarco. I have several options, but I have another interview this week.

D. Presentation of the Revised Employ Handbook for 2024

I have included a copy of the new Employee Handbook and a copy of the 2013 Handbook so that each Board Member can review the changes. I have included in the new handbook the new Michigan Law regarding paid leave for part time employees which will take effect in February, 2025.

- E. The American Heart Association is donating 5 blood pressure kits to be available for patrons. They should be available by November 1, 2024. Also we could have a blood pressure machine here at the library available for patron use.
- F. I have attached the new Amended Budget for 2024 for approval with the designated adjustment.

Hartford Library receives grant for Electronic Doors.

Hartford Public Library Received a National Grant for Small & Rural Libraries

Hartford Public Library has been selected as one of 310 libraries to participate in round two of Libraries Transforming Communities: Accessible Small and Rural Communities, am American Library Association initiative that provides community engagement and accessibility resources to small and rural libraries to help them better serve people with disabilities. The competitive award comes with a \$10,000 grant that will help the library install electronic door openers at both library entrances.

"We are so proud to be chosen for this amazing opportunity," said Library Director, Stephanie Daniels. "This grant will allow our library to get to know our residents with disabilities better. It will help us improve our services to ensure this population feels welcome and comfortable in our space."

VBRGS GENEALOGY ROOM REPORT AUGUST 2024

The Genealogy Room was staffed by 8 volunteers this month. We welcomed 69 visitors and of those 48 attended our program on August 17th. We also assisted 6 others with research requests.

Patsy Miller and I found time this month to reevaluate and glean books out of our collection's Reference Section. Many of these reference books referred to websites and technologies that are outdated. Also, we have not had a request from this section in the four years we have been at HPL. For these reasons, we have suspended the purchase of books of this kind and will limit accepting like donations in the foreseeable future. We will make better use of this space for acquisitions that enhance our manuscript collection.

On Sunday, September 22nd the Van Buren County Historical Society Museum will host a County History Fest and the VBRGS will be participating. We will be meeting and greeting attendees and spreading the word about the Genealogy Room collection.

Joyce Beedie
