The Four Winds Job Fair on Tuesday May 21 was attended by 28 people. The casino did fill some positions that day.

On Monday, June 3rd we had the last Hartford School seminar for teachers. There were 33 attendees. The program began at 8am and ended at 3pm. They had lunch catered.

The Hartford Public Library sold strawberries at the Strawberry Festival. We had strawberry flats, strawberries by the quart and cup and strawberry shortcake. We also sold strawberry pies. We were able to get the strawberries from Meachums. The library made \$807 profit. This was the first time we came back with a profit. The festival was very successful.

Our first summer program session will be on Tuesday, June 18th at 12N. I will have the middle school summer school students working on an internet scavenger hunt using our laptops. I do not know how many teens will be involved as yet. It is usually less than 20.

The Grand Summer Reading program Kick-off is Saturday, June 22 from 1pm to 3pm with a Foam Party at the library. At that time parents can register their children in the reading program. I do have some workbooks available as some parents have requested them. Our programs are every Tuesday, Wednesday and Thursday except for the fourth of July.

The newest program is the cooking class which comes to us from the Michigan Extension community nutrition program. This is every Tuesday at 2pm. It is a six-week demonstration on planning, budgeting healthy, affordable meals. Teens, children and families are welcome to participate. All materials and food is provided free.

There are two live animal programs included this summer. The other programs involve crafts and STEM creations.

Respectfully Submitted, Stephanie Daniels

VBRGS GENEALOGY ROOM REPORT MAY 2024

The Genealogy Room was staffed by eight volunteers this month and welcomed 62 visitors. Thirty-four of those attended our program on April 20th. We also assisted 11 others with research requests.

May 31st marked the end of our society year, and I am pleased to report that it has been successful and a pleasure to be a part of the Hartford Public Library. This year we welcomed 673 visitors and was one short of the number reported last year of 674. The visitor total includes the 318 who attended our eight programs. We also had 10 volunteers helping to staff the Genealogy Room.

At our June program I will conduct our annual meeting and will have a program presented by Bob Myers from the Historical Society of Michigan. His last visit with us was in 2010 and we are looking forward to seeing him again and showcasing our collection and the new library. This topic will be a first for us. It highlights the of life of Nancy Harkness Love, a woman serving in World War II and her contributions to aviation.

VI. Old Business

A. Securalarm additional cameras

I spoke to Justin from Securalarm and discussed the status of the additional cameras. He said he would wait for the results of the small grant for the cameras.

VII. New Business

A. Genealogy Report See enclosed report.

B. Misc items for discussion

I submitted the LSTA Grant to the Library of Michigan and received word that the grant application has passed the first round of approvals. We will know a positive or negative in August some time.

I conformed with Midwest Glass about the electronic door openers. We will be getting electronic door openers on 1 exterior door and 1 interior door per entrance door for \$11,800. Which is still less than \$15,000 from the other company since we only have a grant for \$10,000. I have not heard on the status of the project and will contact Mark at Midwest regarding the project.
