Dear Sir or Madam:-

The Van Buren Sportmen's Club of Van Buren County is contacting your Business/Organization to ask for assistance with Our Annual Easter Egg Hunt.

In the past we have basically counted on Members donations. In 2024 the members were able to stuff over 6500 eggs with candy, goodies and small monetary prizes. We always have Easter Bunny available for pictures with the event attendees.

We would like to request that your business considers donating to this Wonderful Community Event of Hartford and surrounding neighborhoods.

Please send your donation to the above P.O. Box. Any and All contributions are Greatly appreciated!

Sincerely,

Laura B. Weeden
