Memorandum

To: Council
From: Alexander Beyene, Planning Commission Liaison
Re: Planning Commission Liaison Monthly Report

The Planning Commission meeting on September 10, 2024 included and addressed the following:

- SUP #2024-001: Chick-Fil-A Drive Thru Expansion
 - The expansion of the drive through (extending the two-lane drive through to the payment/serving window) is intended to expedite mobile order pickup for customers and provide a more efficient service through the drive through lanes. The applicant has stated that in the short term the expanded lane will function as a bypass, but in the long term it will serve as a pick-up point for mobile orders, termed "mobile-through" by the applicant.
 - The Planning Commission unanimously voted to recommend denial of the SUP.

Respectfully Submitted,

Alexander Beyene
