

# **Did You Know?... ABOUT SH 600 / SANDLASS HOUSE... Here's progress in 2022!**

- SH 600/Sandlass House is currently under review by NPS. The advocates to preserve the house are seeking permission to provide a living history experience as an Airbnb. This is a pivotal moment when something can be done to preserve the house for future generations.

## **PLEASE SUPPORT**

- A private entrepreneur is asking to facilitate an urgent roof repair and assessment for renovation of the house through the NPS Sandy Hook leasing program. The house is already listed in the *National Archives* as a contributing structure in the Landmark, the most historical NJ area.
- William Sandlass, Visionary Builder! ...is a new 2020 premier exhibit at Twin Lights Museum. The house has witnessed so much illustrious history. This NJ State Park exhibit gives our request more historical integrity to preserve the house.

## **WHOSE ON-BOARD? These legislators endorse the Airbnb concept for SH 600/Sandlass House:**

- Congressman Frank Pallone, Jr.
- State Senator Declan O'Scanlon
- State Senator Vin Gopal

## **WE NEED YOUR HELP! PLEASE...**

- Vote on a Resolution of Support.
- Express a state of urgency while the house is still salvageable in 2022 as an Airbnb living history experience.
- Save history for free! Save the taxpayers money, provide jobs and help the local economy by adding this house to the NPS leasing program.
