WHEREAS, the State of New Jersey in 2018 amended its regulatory scheme so as to expand the scope of citizens to whom medical marijuana may be prescribed and so as to make medical marijuana more accessible and available to many of the citizens who need it; and

WHEREAS, on November 3, 2020, the Marijuana Legalization Amendment was approved by voters in New Jersey, which legalized the possession and use of cannabis for residents twenty-one years of age or older;

WHEREAS, on February 22, 2021, Governor Phil Murphy signed into law the New Jersey Cannabis Regulatory, Enforcement Assistance, and Marketplace Act, which established the adult use cannabis program in the State of New Jersey.

WHEREAS, the Borough of Highlands endorses the adult use cannabis program in the State of New Jersey, as well as the medical use program, which provides needed relief to the many persons suffering from chronic and/or debilitating illnesses who may benefit from this program; and

WHEREAS, the Borough of Highlands supports the safe and appropriate siting of an adult-use cannabis dispensary within the Central Business District zone(s) of the Borough of Highlands to the extent consistent with applicable state and local statutes, rules, regulations, and ordinances, including but not limited to the cannabis retailer licensing provisions of Borough Code Section 4-18 and the conditional use zoning requirements of Section 21-97(M); and

WHEREAS, Mary Janes Last Dance Inc. has expressed interest in the siting of such a facility within the Borough of Highlands.

NOW, THEREFORE, BE IT RESOLVED, that the Borough Council supports the safe and appropriate siting of an adult-use cannabis dispensary within the Central Business District zone(s) of the Borough of Mary Janes Last Dance Inc. to the extent consistent with applicable state and local statutes, rules, regulations and ordinances, including but not limited to the cannabis retailer licensing provisions of Borough Code Section 4-18 and the conditional use zoning requirements of Section 21-97(M).
