COUNTY OF MONMOUTH

ORDINANCE O-25-09

AMENDING CHAPTER 3 (GENERAL POLICE REGULATIONS) OF THE BOROUGH CODE OF THE BOROUGH OF HIGHLANDS TO ESTABLISH SECTION 3-27 (SALE OF UNREGULATED SUBSTANCES) REGULATING THE SALE OF KRATOM PRODUCTS

WHEREAS, pursuant to N.J.S.A. 40:48-2, any municipality may make, amend, repeal and enforce such other ordinances, regulations, rules and by-laws not contrary to the laws of this state or of the United States, as it may deem necessary and proper for the good government, order and protection of persons and property, and for the preservation of the public health, safety and welfare of the municipality and its inhabitants, and as may be necessary to carry into effect the powers and duties conferred and imposed by this subtitle, or by any law; and

WHEREAS, the Borough of Highlands (the "Borough") wishes to amend Chapter 3 (General Police Regulations) to establish Section 3-27 to be entitled "Sale of Unregulated Substances," concerning, among other things, the sale of mitragynine and 7-hydroxymitragynine, also known as Kratom, within the Borough; and

WHEREAS, the Borough finds that mitragynine and 7-hydroxymitragynine, also known as Kratom, has the potential for abuse and can pose a threat to the health, welfare, and safety of the community and its residents; and

WHEREAS, the use and/or sale of Kratom has been banned in six (6) states and regulated in twenty-two (22) states based upon information which has indicated its use is a health and safety risk; and

WHEREAS, Kratom is not approved in the United States for medical use; and

WHEREAS, on September 11, 2019, the US Food and Drug Administration (FDA) issued a warning about Kratom because of its morphine-like properties which could, if misused, expose users to the risks of addiction, abuse, and dependence; and

WHEREAS, scientific literature has disclosed serious concerns regarding the toxicity of Kratom in multiple organ systems, including depressed respiratory function, nervousness, agitation, aggression, sleeplessness, hallucinations, delusions, tremors, skin hyperpigmentation, nausea, vomiting, constipation, and severe withdrawal signs and symptoms; and

WHEREAS, the Borough hereby finds that the manufacturers of Kratom products are packaging and labeling these products in ways that appeal to children such as gummies, chocolates, cookies, candies; and

WHEREAS, neither the federal government nor the State of New Jersey have established rules or regulations governing the production of Kratom nor its use by or sale to minors; and

WHEREAS, it is in the best interest of the health, safety and welfare of the Borough and its residents to address the sale of unregulated substances, specifically Kratom, at locations within the Borough in close proximity to schools, playgrounds, parks and daycare facilities.
