City of Hewitt
Attn: Bo Thomas
200 Patriot Court
Hewitt, TX 76643-0610

Dear Mr. Thomas,

As a result of an increase in the landfill tipping fee at The City of Waco Landfill, effective February 21, 2022, the solid waste generated inside McLennan County will increase from \$35.25 to \$45.00 per ton. All construction and demolition wastes will increase to \$55.00 per ton. We will be passing this cost thru to the City of Hewitt. The net increase of \$10.00 per ton will be passed on to your residents and commercial accounts in the following manner:

- Residential 3.31% increase
- Commercial 2.30% increase
- Industrial 8.35% increase
-

Per section 14.02 (d) of our contract with the City, we may have to pass on increases as a result of costs incurred by Company due to any third-party disposal facility being used. In this case, the disposal fees have driven this increase. This change will be reflected on your next invoice from us and will be mailed out in March of 2022.

Thank you for your cooperation and understanding of this matter in advance. We appreciate the continued opportunity to service your City and value our partnership. If you have any questions please call me at the office (817) 317.2029, on my cell (972) 670.2997 or you can reach me via email at RMota@RepublicServices.com

Respectfully,

Robyn Mota
Municipal Marketing Manager

RE: Notification of City of Waco Landfill tipping fee changes.

Dear Landfill Customer,

The purpose of this letter is to notify your business of a landfill tipping fee change that will take effect February 21, 2022. The Waco City Council has authorized an increase in our current landfill tipping fees. The City of Waco Landfill tipping fee for solid waste generated in McLennan County will increase to \$45.00 per ton. Wastes generated outside McLennan County will increase to \$55.00 per ton. All construction and demolition wastes will increase to \$55.00 per ton. A minimum charge of \$10.00 will apply to all customers of the landfill.

There is no residential fee change to City of Waco residents who have their residential garbage collected by the City of Waco Solid Waste Services.

Should you have any comments or concerns regarding this change in rates please contact me at (254) 299-2623. You can also contact me at drydl@wacotx.gov.

Your time and consideration in this matter are greatly appreciated.

Sincerely,

Dave Rydl
Landfill Manager
City of Waco, Texas
