Soooo much better than a baggy and with the nice trash receptacle their is great.
Thank you

I love using the bucket when I clean up trash daily on the beach. I think having long handled tongs would be very helpful and much easier on my back.
I'm also wondering if along side of our garbage can there could be a recycling can as well. Thank you for your efforts in helping the environment.

at trafalgar there is a garbage can adjacent to the tree-- as a result I do not believe I have seen anyone use the tree...

People may be hesitant to pick up trash with Covid circulating

Please have gut removed at beach next to trafalgar it encroaches on trafalgars property and is an eyesore and blocks view of many residents. It is never used or maintained and doesn't belong at that location

A flyer that explains the program would be nice to hang in our mailroom.
