Highlands Place	2	1	1	1	3	1	I have not seen one of the three buckets ever moved from the tree. So I can make an intelligent assumption that these buckets are not being used and therefore have not impact on the community. I never even knew what they were there for until this email.....just ugly buckets hanging on a "tree" in front of our unit.

Highlands Place	5	5	5	5	5	5	I would love to see representatives from buildings to spend 15 minutes to walk along beach and pick up trash on their walk and deposit in their buckets.
Highlands Place	1	5	1	5	5	5	Who empties the buckets?

Trafalgar	2	1	1	4	2	4	A flyer that explains the program would be nice to hang in our mailroom.

Trafalgar	5	5	1	3	1	1	We have a large garbage can right underneath the tree where everyone puts their garbage. So far Trafalgar it is unnecessary

Trafalgar	4	4	4	4	3	3	Please have gut removed at beach next to trafalgar it encroaches on trafalgars property and is an eyesore and blocks view of many residents. It is never used or maintained and doesn't belong at that location

Trafalgar	5	5	5	5	5	5	I love using the bucket when I clean up trash daily on the beach. I think having long handled tongs would be very helpful and much easier on my back. I am also wondering if along side of our garbage can there could be a recycling can as well. Thank you for your efforts in helping the environment.
