Subject: Save the Sea grape Wine tasting

Hi Ingrid,

Unfortunately I will not be able to attend the meeting tomorrow. I have a work commitment that I just cannot move to another day! So I am attaching the info for the Save the sea grape event. If you can kindly print the attached info, Barbara said she would present it at the meeting.

Also the owner of the wine company Massimo Battista and Fabio from Eataliano would like to host a wine tasting and light bites for 10-12 people of the town. The mayor, town commissioners, heads of each board. So they can preview the scheduled event. Please advise how we can arrange that and if at all possible? Feel free to call me with any questions

Thank You ,

SAVE the SEAGRAPE – WINE TASTING (a taste of Italy)

Tasting and pass around food served for 40-50 guests (ticket cost \$20-\$25-p.p.)

Wine distributor Massimo Battista R.C.W.C. will speak about each wine when it is presented and explain the natural process with no sulfites added.

With each wine Eatataliano will serve a finger food or small plate that compliments the wine, including a dessert.

The wines that will be presented are a Pinot Grigio, Amalfi Coast white, Pinot Noir, Montepulciano d Abbruzzo and a Moscato .

Wines will range from \$30.00 to \$40.00 a bottle. Guests can order wine at party with a 20% discount.

Eataliano owners Fabio and Maida will serve finger foods to complement each wine.

Food to be served Quadratini focaccia, arancini riso (rice balls), Piccolo porzione lasagna, Piccolo eggplant and or piccolo meatballs. Dessert Tiramisu or Torta Brownie.

Both vendors agree to do the party at their cost and both are Highland beach residents. Food and wine cost \$3,000.00 total

Hopefully Doug Mann is available to make a presentation. If he is not available we can ask Dan Bellante who is also a Highland Beach resident.

We will raffle off a wine gift basket and a sea grape plant at the event. This will be a fabulous holiday event!
