Lanelda, I will send these ASAP.

But that is not how we agreed to proceed, I believe. We agreed on the dias to get the topics to you by Friday if it had attachments and you Monday if no attachments. Further, the NR Board kicked these items back on a Wednesday and so that eliminated another day of opportunity for me to work. Also, I can't take photos of the lights in the rain as was the case.

Please add this situation to the agenda as Topic Agenda Deadlines Item as another item because it is improbable to give Commissioners two business days to devise an agenda item when there is 11 days of advance time.

Lastly, I am very sick.

Sincerely,

Peggy
