Highlands Place	2	1	1	1	3	1	I have not seen one of the three buckets ever moved from the tree. So I can make an intelligent assumption that these buckets are not being used and therefore have not impact on the community. I never even knew what they were there for until this email.....just ugly buckets hanging on a "tree" in front of our unit.

Trafalgar	5	5	5	5	5	5	I love using the bucket when I clean up trash daily on the beach. I think having long handled tongs would be very helpful and much easier on my back. I am also wondering if along side of our garbage can there could be a recycling can as well. Thank you for your efforts in helping the environment.
