Good Afternoon Ingrid,

The mooring pile on the plans was omitted from the description by error of the Department but is ok by our regulatory standards. Please let me know if you would like me to supersede the letter issued December 27, 2024.

Thank you,

Antonella:

The property associated with the above FDEP file no. has submitted, to the Town, a request for a 120 sf pier as well as one mooring pile. Upon review of FDEP's authorization letter (dated 12-27-24) the project description only details the 120 sf finger pier and not the mooring pile. While the proposed mooring pile is denoted on the proposed plan sheet 2, I just want to be sure FDEP is Ok with it. Kindly advise.

Thank you.

Sincerely,
Ingrid Allen
